The New Satellite L SERIES

FEATURES

Entertainment enhanced

Deliver truly immersive media experience. Music can be experienced the way it should with realistic surround sound from speakers tuned by Skullcandy™, and enrichment of DTS Sound™ enhancement

Fast, powerful and impactful

The latest AMD Radeon™ R Series dedicated GPUs feature a fast, responsive performance enabling more multi-tasking and a smoother experience under intensive use

Enhanced ergonomics & connectivity

With up to four USB ports including USB 3.0, transferring data to other devices, uploading photos and sharing movie is up to 10 times faster. The Satellite L series also comes with a frameless tile keyboard with large clickpad enhanced by a new keycap design, for improved tactile feedback while typing.
